#	Q1: CERTIFICATE OF ACHIEVEMENT	DATE
1	Na	9/5/2019 1:19 AM
2	I am satisfied with the time I spent at Great Basin College and look forward to continuing my education!	8/26/2019 3:35 AM
3	The Counseling staff for the CTE program is fantastic and would not have finished the program without Rachel and Jonica. The Electrical Program out of Winnimucca was fantastic, unfortunately I heard you are losing Mike Elbert that really made that program. The instrumentation the second year was in all honesty a complete waste of time the only real thing it gave me was a piece a paper that got me interviews and when I got to my job, not only did I realize but my bosses realized that I barely knew a thing about logic and the DCS systems. That sad part is I was putting extra time to help show a lot of the class how to get there assignments complete.	8/20/2019 8:04 AM

#	Q1: ASSOCIATE'S DEGREE	DATE
1	Great course at a great value.	9/13/2019 3:02 AM
2	Great program for people seeking degree while working full time job and having a family.	9/13/2019 1:19 AM
3	GBC was a great school that helped me prepare for University life at UNLV. However, I felt that the Pahrump campus was lacking in a lot of resources that were available in Elko. However I did enjoy my time at GBC and I would recommend it to others who wanted to start somewhere then transfer.	9/5/2019 5:24 AM
4	Generally a good education and experience.	8/26/2019 9:52 AM
5	Although I thought GBC did an excellent job with online course work I think they still struggle with meeting the needs of students in rural or frontier areas. I think more outreach and collaboration with smaller communities would strengthen GBC's already great reputation in rural Nevada. For me, making the hour and fifteen minute drive back and forth to Ely for an interactive class is difficult at best. If GBC could work with the more rural communities to provide interactive classes closer to home it would vastly improve the ability of some to continue their education.	8/26/2019 4:08 AM
6	The online program has evolved in a very positive way since I started taking classes in 2008.	8/26/2019 2:02 AM
7	I'm glad to see the classes starting in Ely, its giving kids a chance to get a head start on this program and will allow them more time hands on. I was able to learn a lot and complete the program in the one year, but I believe the sooner you can start this and spend more time in each category or more time in the shop the more beneficial it will be to you. I'm very grateful for the MTC program as I believe that is what allowed me to excel. More shop time is better than more class time in this field.	8/26/2019 1:19 AM
8	The location requires video conferences which sometimes is ok when the video connection works, but there are many classes not offered at certain locations due to a lack of instructors. Or if they are offered its strictly online which is not always beneficial to learning. Overall I feel like not as much is achievable through the smaller campuses due to a lack of instructors and lack of classes needed to pursue a financially beneficial career.	8/26/2019 12:22 AM
9	Many of the questions did not apply to me because I was an employed nontraditional student.	8/20/2019 2:11 PM
10	The Diesel Program seems great for students with an internship at a diesel shop, but not suited for those without an internship or previous mechanical experience.	8/20/2019 12:59 PM
11	"Underrated school!"	8/20/2019 8:09 AM
12	The Spanish program taught by Gretchen Skivington was embarrassing. I almost gave up learning languages as a whole due to her. Now I translate Spanish no thanks to her teaching at all. Pathetic support. The administration also displayed little or no care towards students. If I had an issue, administration and student support often did not help and made my problems feel invalid. The teachers are the only outstanding personnel at this institution (Minus Skivington).	8/20/2019 3:20 AM
13	The curriculum and faculty at GBC was great. However, I spent at least an extra one to two semesters enrolled in courses I did not need. Advising and understanding a student's goals can go a long way.	8/20/2019 3:04 AM
14	Good course, knowledgeable staff. Methods and tools available to teach the courses were very helpful! Learning about a system or component in a classroom setting then being able to go into the lab and deal with it hands on was the best part!	8/20/2019 2:54 AM
15	my academic advisors at the pahrump location continuously steered me in the wrong direction and did not prepare me for university. i also had a very bad experience with unfairness from one of the lead professors in the political science department in an online course, and when i reached out to faculty i was met with incompetency. also, did you know the head of the humanities department says the N word, with a hard r, in one of her online lectures? anyways, regardless of that i still enjoyed the education i got at GBC and found it useful. most of the faculty was really helpful, kind, and educated. the value for the price was also very worth it, and i wish my bachelor's program was available there for i could have continued my education.	8/20/2019 2:52 AM
16	Thank you and I look forward to this next chapter.	8/20/2019 2:25 AM
17	This is a great college and the price is amazing also. It is nice to finish college without incurring huge student debt.	8/20/2019 2:20 AM
18	Amazing college and amazing advisor	8/20/2019 1:52 AM
19	I loved my instructors! Brandy, George, and Stephen were the best UNR has no one like them.	8/20/2019 1:19 AM
#	Q1: BACHELOR'S DEGREE	DATE
1	I had no idea there was a job placement program at GBC. Can someone send me the information please?	8/26/2019 3:15 AM
2	As a remote student I really appreciated all the available technology.	8/25/2019 6:36 AM

3	Most of the teachers were fantastic and I had a very good learning experience. I definitely recommend GBC to others.	8/20/2019 1:52 PM
4	The BA English is an excellent academic field of study. The program prepares students for both the professional workplace and graduate school. The online delivery allows the working student the flexibility to pursue the degree at his/her own pace. Highly recommend.	8/20/2019 4:18 AM
