MTC Scholarship

Business and Business Administration

Students who choose to pursue a degree in business administration at GBC will take classes from seasoned professionals who have many years of both practical work experience and teaching. This faculty subscribes to the notion that people of all ages and backgrounds are capable of personal growth and that a stimulating, engaging educational experience enhances that development. We believe that acumen in business is critical for personal and community economic/social success. Certificates offered are Accounting, Business Administration, Entrepreneurship, Human Resources, Retail Management. Earn your Associate's Degree in Business Administration with three choices of emphasis: Accounting, Entrepreneurship, and General Business. Bachelor's Degree in Management in Technology is offered.

Computer Technologies Programs

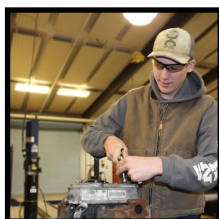

The Computer Technologies Department compliments the Great Basin College mission by delivering computer technology education to a diverse, far-flung, and dynamic population. One of the hallmarks of the department is its ability to respond to the current and future needs of the community. The Computer Technologies Department offers initial training and retraining, job enhancement opportunities, and national certifications in a variety of office technologies.

Certificates offered in graphic communications, medical coding and billing, and office technology. Associate Degrees offered in Computer Technologies and Land Surveying. Bachelor's Degrees offered in Digital Information Technology, Graphic Communications, and Land Surveying.

CTE Events! MTC/CTE Open House

Are you interested in a high wage, high demand career in Diesel Technology, Industrial Millwright Technology, Welding Technology, Electrical Systems Technology or Instrumentation Technology? The Open House will be held at the Elko Campus in GTA Room 130; GBC Battle Mountain Center Room 3; GBC Ely Center Room 108; GBC Pahrump Valley Center Room 122 and GBC Winnemucca Center Room 124. For more information on the GBC CTE Programs, MTC Scholarship, or the Open House, call Jonica Gonzalez, CTE College Credit Coordinator at 775- 753-2303.

MTC Scholarship– Application Deadline March 15th

The MTC scholarship was established in 1994 by a group of Northern Nevada Mines and Great Basin College to train individuals interested in starting a career in the technical trades. Selected students receive a \$5,000 scholarship with a paid internship to help launch their careers as a welder, electrician, instrumentation technician, (diesel) mobile equipment technician or industrial millwright technician. Students have the opportunity to receive an Associate's degree in less than one year from GBC while gaining valuable paid work experience. To apply complete the GBC general application for admission [here](#). Next complete the GBC CTE Application for Admission/MTC Scholarship application [here](#).
