#	Q1: CERTIFICATE OF ACHIEVEMENT	DATE
1	While my personal failings prevented me from going into the electrical trade. It most certainly helped and in the near future I might go into the trade.	7/30/2022 11:22 AM
2	Sam Leyba sucks. Doesn't know nothing about electrical! Worst teacher I've ever had. Shows up to class drunk and confused and then leaves all the time saying he's going to "bath lumber" then comes back even more drunk! He's trash should find another career. Worst 10k I've ever spent.	7/18/2022 10:31 PM
3	Course was done online through a third party who did not have updated ICD10, HCPCPS & CPT info. All questions were outdated and expected responses from 2020 books however we were given 2021 books. This was brought to the attention of faculty and staff at GBC by several students and we were just brushed off. I paid a lot of money to not be able to know if the answers I had submitted were correct or not. I would never recommend GBC to others due to my poor experience. At the end of the class I was not even prepared to take the coding exam. It was a huge disappointment.	7/18/2022 6:00 PM

2	GBC has been an excellent place for my abilities to flourish!	8/2/2022 8:18 PM
3	Laura Debenham is amazing.	8/1/2022 1:11 PM
4	I thoroughly enjoyed my experience at GBC, especially the Diesel Program instructor, who challenged us to think critically and to find the solutions for ourselves.	7/29/2022 11:05 AM
5	Was great until COVID, but the math department was terrible the whole time. The rest of the professors were knowledgeable and eager to help. None of my math credits transferred over to my new college, due to the poor quality of instruction.	7/28/2022 3:48 PM
6	It is a great college to take courses from and to obtain a degree from for career advancement.	7/27/2022 8:43 PM
7	I've had the best experience at Great Basin College. I started right out of high school but had to take a short break to care for my family. I came back and have continued to have the best experience. The instructors have always been helpful and wonderful to take a class with. Their knowledge has been a huge benefit to myself and the classes I (and others) take. I will miss GBC when i graduate but am thankful for the experience.	7/27/2022 9:48 AM
8	Just need more effective communication for the smaller majors to participate and fulfill required courses.	7/27/2022 9:20 AM
9	I started my education at CSN and finished at GBC. I learned a lot from both institutions. I'mam satisfied with the instructors at GBC.	7/18/2022 9:05 PM
10	I really 3njoyed my experience at GBC. I took the first year doing my general education and my second year earning my degree and am possibly going to enroll for more classes in the future to further my education.	7/18/2022 10:23 AM
11	GBC helped to set the standard for further education. In truth it was more challenging in many aspects. Enjoyed having the one on one opportunity to meet with instructors.	7/18/2022 10:06 AM
12	Our instructor became disconnected with our class in April 2021. He did not show up at our skills test, and in fact announced the skills we were to perform 1 and a half weeks before the testing. He should have provided the skills sheets day one of the two year program and we should have been practicing them on skills days. I should know; I have a MS in education, BS from Cal and BA as well. Very disappointing.	7/18/2022 9:48 AM
13	I have really enjoyed my educational experience at GBC! I am very grateful for the opportunities I had to major in English and in Early Childhood Education. I graduated with my Associate's in English and Associate's in Early Childhood Education in the Fall of 2020. Currently, I am pursuing my Bachelor's in Early Childhood Education. I am incredibly grateful to GBC and my professors for guiding and helping me along my educational path! Thank you!	7/18/2022 9:40 AM
14	In the millwright program, Thomas Bruns is a far superior instructor to Norm Whittaker, in competence, teaching style, articulation and explanation of teaching materials, and knowledge of relevant information. Tom's input was far more impactful, valuable and topical than the comments (more often the lack of) of Norm.	7/18/2022 8:36 AM
15	Most of the professors I had (and have) at GBC have all been amazing, understanding, wonderful people. The staff has always been so pleasant and makes you want to learn. I went off my '21 semester, but do intend on continuing on to earn a master's degree, and this is due 100% to my professor and advisors encouragement.	7/18/2022 8:32 AM
16	Living in such an agricultural/ranching/farming/animal based state, and being that I am studying veterinary medicine, I would have appreciated more courses geared toward animal sciences. That said, the courses I did take were wonderful and the staff at Ely's site were incredible! Thank you for helping me get a head start. Charity Parry	7/18/2022 8:15 AM

17	I couldn't have asked for a better college to attend. The staff was so kind, helpful and motivated me through tough times. I enjoyed my time at Great Basin College.	7/18/2022 8:12 AM

#	Q1: BACHELOR'S DEGREE	DATE
1	My time at GBC were filled with ups and downs. Although the education I received was good overall with some minor hiccups the environment could've used some work. I feel no one was ever on campus due to all the online options. This allowed for plenty of one on one time with instructors but really made campus seem like a graveyard. This increased even more after covid and no one was at campus anymore. Made for finding like minded people and study groups almost impossible. I don't feel the furniture around campus was comfortable or conducive to studying for long periods. The culture around campus just did not seem to allow or want people to be there. Lack of food options was also pretty sad. Overall campus life was severely lacking.	8/11/2022 11:44 PM
2	Excellent staff!	8/7/2022 9:49 AM
3	20/21 graduating class should have been allowed to walk w the next class after Covid was over.	7/19/2022 9:21 AM
4	GBC online made it possible for me to earn my degree online while being a full time parent and having a full time job without having to be physically on campus. I started my journey in battle mountain and resources were limited but then I moved to Elko and unfortunately COVID hit so wasn't able to use the facilities to my full advantage so that is one thing I wasn't able to use during pursuing my degree. My academic advisors were amazing and always helped me or met with me to always plan my next classes and if it wasn't for their help I would have struggled knowing what classes to sign up for next. Overall GBC was great for what I needed.	7/18/2022 7:59 PM
5	There is very little social life at GBC. I did not use GBC's advisors as I talked to one of them one time and they didn't seem to care at all. I used Dr. Frierstroffer for the rest of the time and he was wonderful.	7/18/2022 11:02 AM
6	ABET accreditation is critical to continue attracting survey students. Several on-line survey programs have it already, making them more attractive to potential students	7/18/2022 8:12 AM
