This will allow the students to make connections with lecture materials and field applications.
GEOL 334 - Geomorphology and Soils - Outcome #4: 8, 10, 11, - Outcome #4: 8, 10, 11, Next Assessment: 2020-2021 Start Date: 10/27/2015 Course Outcome Status: Active	Assessment Measure: Exam 4 Assessment Measure Category: Exam Criterion: The average for the exam is a 70%	10/27/2015 - The average for the exam is an 82% Criterion Met: Yes Reporting Period: 2014-2015	10/27/2015 - Reflecting, I believe this last exam should have been more difficult. The exam questions did not include enough synthesis. In the future, I want the last exam to be a true final. Follow-Up: 10/27/2015 - Measurements reported in the syllabus are different than the measurements listed above. This is the first semester this course was taught with an additional online section and modifications were adopted. Courses are always works in progress! Plus, the course schedule
