

Course Assessment Report - 4 Column

Great Basin College Courses (CTE) - Welding

| Course Outcomes | Means of Assessment & Criteria / Tasks | Results | Action & Follow-Up |
|---|--|---|--|
| <p>Courses (CTE) - Welding - WELD 210 - Adv Welding Principles - Safety - Safety in the Welding lab. (Created By Courses (CTE) - Welding)</p> <p>Next Assessment: 2016-2017</p> <p>Start Date: 05/18/2012</p> <p>Course Outcome Status: Active</p> | <p>Assessment Measure: Used a written test, verbal questioning, and observation of the students in the Welding lab.</p> <p>Assessment Measure Category: Written Test/Exam</p> <p>Criterion: N/A</p> | <p>05/18/2012 - Students were able to pass a written test and followed safe work habits in the Welding lab.</p> <p>Criterion Met: N/A</p> <p>Reporting Period: 2011-2012</p> | <p>05/18/2012 - Students will be required to pass a written test and will be observed to ensure that safe practices are being followed.</p> |
| <p>Courses (CTE) - Welding - WELD 210 - Adv Welding Principles - Welding - Make satisfactory welds in the horizontal, vertical, and overhead positions using Shielded Metal Arc Welding Equipment. (Created By Courses (CTE) - Welding)</p> <p>Next Assessment: 2016-2017</p> <p>Start Date: 05/18/2012</p> <p>Course Outcome Status: Active</p> | <p>Assessment Measure: Used written tests, verbal questioning, and observation of the students in the Welding lab.</p> <p>Assessment Measure Category: Written Test/Exam</p> <p>Criterion: N/A</p> | <p>05/18/2012 - Students were able to pass written tests and were also able to make satisfactory welds in the horizontal, vertical, and overhead positions using Shielded Metal Arc Welding Equipment.</p> <p>Criterion Met: N/A</p> <p>Reporting Period: 2011-2012</p> | <p>05/18/2012 - Students will be required to make satisfactory welds in the horizontal, vertical and overhead positions using Shielded Metal Arc Welding Equipment. They will also have to be able to pass written tests and answer questions.</p> |
| <p>Courses (CTE) - Welding - WELD 210 - Adv Welding Principles - Air Arcing Equipment - The ability to setup and tear down of Air Arcing Equipment. (Created By Courses (CTE) - Welding)</p> <p>Next Assessment: 2016-2017</p> <p>Start Date: 05/18/2012</p> <p>Course Outcome Status: Active</p> | <p>Assessment Measure: Used a written test, verbal questioning, and observation of the students.</p> <p>Assessment Measure Category: Written Test/Exam</p> <p>Criterion: N/A</p> | <p>05/18/2012 - Students were able to pass a written test and were also able to setup and tear down Air Arcing Equipment.</p> <p>Criterion Met: N/A</p> <p>Reporting Period: 2011-2012</p> | <p>05/18/2012 - Students will be required to pass a written test, answer verbal questions, and will be observed in the Welding lab.</p> |
