Learn how to pull your look together.

Accessories are the key to any outfit. Where do you start? Learn how to bring your wardrobe alive with a few simple tricks. This hands-on class will teach several ways to tie a scarf, which necklace length is best for you, what shoes go with which outfit and which belt styles work best for your body type and more. In addition to accessories, you will learn how to pull your entire look together by selecting a few "key" pieces.

Workshop fee: \$65 (includes informational packet and refreshments)

Purchase tickets for these workshops at the GBC Continuing Education Office in Berg Hall. Discounts: \$60 per ticket if purchased by January 16, or if purchasing tickets for both workshops. Phone 775-753-2231 for information.

Testimonial: Alicia helped me to re-discover 25% of the clothes in my closet that I already owned but didn't know how to use; I had completely forgotten about them. Now when I go out shopping, I know exactly what I'm going to buy and what to avoid so I won't waste money on items I later regret.
