Individuals maintaining a legal bona fide resident status in a "Good Neighbor" county for at least twelve consecutive months before the first day of the semester in which enrollment is sought or those that graduated from a "Good Neighbor" high school or community college are eligible to apply for reduced non-resident tuition. The Good Neighbor tuition is in addition to regular per credit registration fees. Two documents proving one year of consecutive physical residence, and copy of drivers' license or I.D. card issued at least twelve months prior to application date is required along with this application. Documents must have physical residence, applicant's name, and one must be dated at least one year prior to application date and the other with a current date to be considered. Good Neighbor high school or community college graduates can submit a copy of a high school or college transcript showing graduation in lieu of the two documents. Counties, high schools and community colleges in northern California qualifying for good neighbor status are listed on the backside of this application. Deadline to change status from non-resident to Good Neighbor is two weeks after the semester begins. Applications received after the deadline are applied to the following semester.
