Faculty/Administration Evaluation Committee

Attended: Xunming Du, Cathy Fulkerson, Cindy Hyslop, Lynette Macfarlan, Janie Moore and Laurie Walsh.

Not attended: John Cashell, Peggy Drussell, and Rick Thuemler.

Committee members started reviewing the Teaching Role: Instructional Design in the Faculty Evaluation Forms. Each line was discussed and areas were combined.

Great Basin College Administrator Evaluation questions were reviewed. Survey Monkey was used for the last evaluation of administrators. Cindy attended a phone conference with IDEA and they have an evaluation for administrator that the committee will review.

During the phone conference the consultant from IDEA talked about an evaluation that could be used for classes that do not work for the IDEA ratings we are using now.

It was suggested that on the Faculty evaluation form "Last date changed" should be added.
