1. Transcripts:

In order to be considered for admission to the RN-BSN program, all students must meet the requirements for formal admission to Great Basin College. College level courses of equivalent semester hour credit and content may be transferred by direct credit from other regionally accredited institutions.

To be considered eligible for admission into Great Basin College’s RN-BSN Program, applicants must show evidence of completion of an ACEN accredited and State Board of Nursing approved nursing program from a regionally accredited college, or equivalent program. Transcripts should reflect a cumulative grade point average equal to or greater than 3.0 as calculated by Great Basin College formulas with no final grade of less than a C (not a C-) in any required AAS program course and/or any course being considered for transfer credit. (Note: students who have a 2.5-3.0 GPA may be admitted provisionally. Provisional admission means that a student must maintain a cumulative GPA of 3.0 or better during their first semester in the program in order to continue in the program).

Transcript evaluation might be necessary and may require supporting information such as course syllabi and books.

For colleges and/or universities you attended (other than GBC), request (in writing) that an official copy of transcripts from each institution be sent to:
Great Basin College
Admission and Records
Attn: BSN Program
1500 College Parkway
Elko, NV 89801

Important: For institutions other than GBC, allow at least four to six weeks for transcripts to be received and articulated. Incomplete files will not be considered in the selection process.

2. Minimum Criteria:

Students applying for the RN-BSN Program must meet the following minimum criteria:

A. Graduated with an Associate Degree in Nursing from an ACEN accredited and state Board of Nursing approved program at a regionally accredited college.

B. Possess an active RN license in the state where you currently practice by the time coursework begins.

C. Cumulative GPA of 3.0 or higher on a 4-point scale.
3. **Advisement with RN-BSN Program Advisor**

Prior to submitting an application for Great Basin College’s RN-BSN Program, it is strongly recommended that all students schedule an advisement meeting with a BSN Advisor. Unofficial copies of college transcripts and application criteria are reviewed at this time. To arrange an appointment, call 775-753-2301. An advisement form is included to help you plan your course sequencing.

4. **Admission Evaluation Criteria Form**

5. **Other Information:**

Each applicant is responsible for ensuring that his/her application package is complete. Applicants will not be notified if items are missing from their file. Incomplete application packages will not be considered in the selection process.

Students will be notified of their admission status to the RN-BSN program once all application documents have been received and reviewed. All application materials must be received by the deadline in order to allow for timely review. A maximum of 25 students will be accepted to the GBC RN-BSN Program. When there are more qualified applicants than there are available spaces in the program, preference will be given to those with the highest points. Meeting minimum application criteria does not guarantee admission to the RN-BSN Program. Those students who meet or exceed the minimum criteria but are not admitted may re-apply in future semesters.

**ALL APPLICATION DOCUMENTS SHOULD BE SENT TO:**

Great Basin College  
Attn: BSN Program  
1500 College Parkway  
Elko, NV  89801

**ALL APPLICATION DOCUMENTS MUST BE RECEIVED BY GREAT BASIN COLLEGE NO LATER THAN 5:00 PM, FRIDAY, JULY 6th FOR CONSIDERATION FOR FALL 2018 ADMISSION.**

GOOD STANDING STATEMENT

Students admitted to Great Basin College and the RN-BSN Program must maintain their status as students in good standing based upon the following:

a. Current (active status) Registered Nurse licensure in the state where you currently practice
b. Current health care provider CPR certification status
c. Annual proof of a negative TB skin test or chest x-ray
d. Individual professional liability insurance and CPR certification while enrolled in nursing courses.
e. Overall 2.7 GPA in program coursework, with no grade less than “B-” in a nursing course.

Note: It is the student’s responsibility to immediately notify the BSN Program Director in writing of any changes in licensure, insurance, certification and/or health status. Failure to do so could result in dismissal from the program.

I have read and understand the information regarding maintaining good standing.
