I am applying to enter the Bachelor of Science in Biological Sciences Degree Program: Fall Semester _____ (year)

GBC Admissions and Records has been sent official transcripts from all colleges and universities I have attended. _____(initial)

Program Admission Requirements

I have completed the following program admission requirements:

PROGRAM ADMISSION REQUIREMENT	(To be checked by Student)	(To be checked by GBC Admissions & Records)
Associate of Science (AS) or Associate of Arts (AA) degree (circle one) including the equivalent of ENG 102 from a regionally accredited institution	<input type="checkbox"/>	<input type="checkbox"/>
Overall GPA of at least 2.0, required for good standing	<input type="checkbox"/>	<input type="checkbox"/>
<i>The following courses (or their equivalent) have been completed:</i>		
BIOL 190 Introduction to Cell and Molecular Biology (with lab)	<input type="checkbox"/>	<input type="checkbox"/>
BIOL 191 Introduction to Organismal Biology (with lab)	<input type="checkbox"/>	<input type="checkbox"/>
BIOL 251 General Microbiology (with lab)	<input type="checkbox"/>	<input type="checkbox"/>
CHEM 121 General Chemistry I (with lab)	<input type="checkbox"/>	<input type="checkbox"/>
CHEM 122 General Chemistry II (with lab)	<input type="checkbox"/>	<input type="checkbox"/>
CHEM 241 Organic Chemistry I	<input type="checkbox"/>	<input type="checkbox"/>
CHEM 241L Organic Chemistry for Life Sciences Lab I	<input type="checkbox"/>	<input type="checkbox"/>
CHEM 242 Organic Chemistry II	<input type="checkbox"/>	<input type="checkbox"/>
CHEM 241L Organic Chemistry for Life Sciences Lab II	<input type="checkbox"/>	<input type="checkbox"/>
MATH 181 Calculus I	<input type="checkbox"/>	<input type="checkbox"/>
STAT 152 Introduction to Statistics	<input type="checkbox"/>	<input type="checkbox"/>

The application will not be accepted by Admissions & Records until all of the above program admission requirements are completed.

Availability of Science Courses (for BS Biological Sciences)

The following science courses have labs and are required to complete the BS in Biological Sciences:

BIOL 190, BIOL 191, BIOL 251, CHEM 121, CHEM 122, CHEM 241/241L, CHEM 242/242L, BIOL 300, BIOL 305, BIOL 320, BIOL 331, BIOL 394, BIOL 400, BIOL 410, and BIOL 434. Each of these courses have required in-person labs. Depending on the course, the labs may occur weekly, on weekends, or at a time from Monday through Friday anytime from 8:00AM – 6:00PM. Due to GBC's personnel, equipment, and facilities, courses listed above which have the CHEM prefix, and some BIOL courses (BIOL 331, for example) have required labs that are only offered on the Elko and Pahrump campuses. This means that BS Biological Science students will be required to attend lab courses in Elko or Pahrump at least 1-2 days each week. Please consult your advisor for the BS Biological Sciences for the availability details of each individual science course. By signing below I have acknowledged that I have read and understand this statement on degree availability.

I understand that in the case of a lapse of professional or ethical behavior, if I engage in prohibited activities as outlined in the GBC General Catalog, GBC Student Handbook, or NSHE Code, or if I do not "Maintain Good Standing" in the Bachelor of Science – Biological Sciences program (details in the current GBC General Catalog), my situation will be reviewed by the Bachelor of Science – Biological Sciences Committee, and I may be either placed on probation or dismissed from the program.

Student Signature _____ Date _____

Great Basin College's Affirmative Action Statement
Great Basin College (GBC) does not discriminate on the basis of race, religion, color, age, sex, sexual orientation, military status, disability, or national origin. For inquiries, 775.738.8493.

To be completed by GBC Admissions and Records
