

NEVADA PROMISE

SCHOLARSHIP

All Nevada Promise Scholarship candidates must complete and submit proof of 8 hours of community service by **January 1 and June 1**. *This is just a list of suggestions. Work does not have to be completed at these locations.

What Counts as Community Service?

Community service is time contributed to a nonprofit or public service organization. The community should be benefiting from the work you do! Community service performed to satisfy the requirements of GBC's Nevada Promise Scholarship must not include religious proselytizing (recruiting), or service for which the student receives any type of compensation, or which directly benefits a family member.

All community service hours performed between submission of the Nevada Promise Application and the deadline to complete hours will be reviewed. The deadlines are January 1st for Fall term and June 1st for Spring term. An applicant who knowingly submits false or misleading information is ineligible to receive a Nevada Promise Scholarship.

If you have community service opportunities and would like to be included on the list below, please contact us.
