WELCOME

★ GREAT BASIN COLLEGE VETERANS RESOURCE CENTER ★

The Great Basin College (GBC) Veterans Resource Center (VRC) was established in October of 2014 to better serve our Student Veteran population. It is located near the center of our Elko campus in McMullen Hall. The VRC is a non-profit member of the Elko Area Chamber of Commerce. GBC is a supporting member of the "8 Keys to Veterans Success", through the Department of Education, and is in compliance with "Principles of Excellence" administered through the Department of Veterans Affairs. GBC is also an approved Military Friendly School by the Military Friendly Schools Guide 2016.

OUR MISSION

The Veterans Resource Center provides an encouraging environment by acknowledging, honoring, and addressing all of our Veteran's needs, all while helping them attain their educational goals. The VRC's mission is as widespread as the rural GBC service area. Our main goal is to provide Military Veterans and their dependents with the resources, support, and advocacy needed to succeed in higher education.

**By Investing In Our Veterans,
You Are Investing In Our Community.**

Career Enhancement Program

CEP is an employer-funded training and re-employment program that provides job seekers with training designed to improve earning potential and increase job skills required in today's workplace. This program also works directly with Unemployment Insurance claimants to provide intensive re-employment assistance. CEP may assist job seekers by paying for job related expenses such as certifications, work permits, uniforms, and small tools in order to facilitate entry or re-entry into the labor force.
