Q7: 72% correct, Q8: 85% correct. Test #2: 65% correct on budgeting questions. Income Statement Assignment:61% Enterprise Budget Assignment:73% Cash Flow Budget Assignment:66% <b>Criterion Met:</b> No <b>Reporting Period:</b> 2013-2014	10/09/2014 - Provide example budgets that are very similar to the actual assignments so that students don't get so lost. Students are already given lectures with examples presented in lectures they can rewatch. Greater than half the class achieved the objectives, but many students never even turned in the assignments, so that is what drug the averages down so badly. Need a feedback mechanism that students can turn to for getting extra help when they don't know how to do an assignment.
