<p><b>Start Date:</b> 05/18/2012</p> <p><b>Course Outcome Status:</b> Active</p>			<p>for the BSN and students should be supporting what they are saying on specific topics with references. This assignment will be modified to specifically state references must be included to support the writer when discussing specific content areas.</p>
<p>Courses (HHS) - Nursing - NURS 258 - NP Throughout Lifespan IV - Synthesized concepts in health care services - Synthesized the ways concepts such as employment, environment factors, values, diversity, economics, and ethics affect accessibility, affordability, and accountability in health care services. (Created By Courses (HHS) - Nursing)</p> <p><b>Next Assessment:</b> 2016-2017</p> <p><b>Start Date:</b> 05/18/2012</p> <p><b>Course Outcome Status:</b> Active</p>	<p><b>Assessment Measure:</b> What is on the Horizon Power Point Poster</p> <p><b>Assessment Measure Category:</b> Assignment - Project</p> <p><b>Criterion:</b> N/A</p>	<p>05/18/2012 - Students synthesized the ways concepts such as employment, environment factors, values, diversity, economics, and ethics affect accessibility, affordability, and accountability in health care services.</p> <p><b>Criterion Met:</b> N/A</p> <p><b>Reporting Period:</b> 2011-2012</p>	<p>05/18/2012 - The students' development of a poster that is presented in the hallway of the Health Science and Human Service building is an effective way to show case a capstone student's level of knowledge regarding concepts that are specific to the BSN nurse. I had a request that students be allowed to work on these projects in pairs of two but I think it may detract from the individuality of show casing their growth in successfully pursuing the BSN.</p>
<p>Courses (HHS) - Nursing - NURS 258 - NP Throughout Lifespan IV - Politics - Demonstrate ability to become a political activist for societal needs, health care services, and the nursing profession. (Created By Courses (HHS) - Nursing)</p> <p><b>Next Assessment:</b> 2016-2017</p> <p><b>Start Date:</b> 05/18/2012</p> <p><b>Course Outcome Status:</b> Active</p>	<p><b>Assessment Measure:</b> Program Development Paper</p> <p><b>Assessment Measure Category:</b> Assignment - Written</p> <p><b>Criterion:</b> N/A</p>	<p>05/18/2012 - Through analysis, synthesis, and application students were able to understand the current health care system and the role that managed care plays in the future of the nursing profession. Students Develop one of the following programs to be implemented in either their work place or somewhere they would like to be working. Programs: Prevention program, Disease management program, Quality management program, Demand management program.</p> <p><b>Criterion Met:</b></p>	<p>05/18/2012 - This was a good opportunity for students to create ideas of programs that would influence the places that they are employed or wish to be employed. Two issues that I had with this assignment was I should have given a 5th option for students to come up with their own program. Some students are more creative than others and I think it would have been interesting to see what they</p>

		<p>N/A</p> <p><b>Reporting Period:</b> 2011-2012</p>	<p>would have come up with. The second issues is that I did not specify how many reference that student should use so many of the papers where in the reflection of just the students ideas without supported references. I would require a minimum of 5 references to support students program ideas and thoughts.</p>
