Overview

Institutional Characteristics Overview

Welcome to the Institutional Characteristics (IC) component. This component collects important information about your institution's mission, student services, and student charges.

Much of the data reported on IC appear on College Navigator, which is updated once after IC data has been finally reviewed. Thus, errors may stay on College Navigator for a full year.

Additionally, the cost of attendance data are used to calculate the net price of attendance in the Student Financial Aid component. This has important implications for what students see about your institution, and also for the College Affordability and Transparency Center's lists. **Revisions or changes to costs can ONLY be made in the Student Financial Aid component and not in the prior year revision system.**

Remember, it is the responsibility of the keyholder to submit accurate data about the institution. Please contact the IPEDS Help Desk for clarifications to make sure that you are reporting correctly.

Changes to This Year's IC Component

There were no changes implemented for the 2015-16 data collection period.

Common Errors

Quality control reviews of past IC data indicate frequently made errors. Please review the common errors below to ensure accurate reporting. Additional common errors or tips can be found in the New Keyholder Handbook under Resources.

- Question 2 should only be marked 'YES' if your institution is **EXCLUSIVELY** distance education. Do not mark 'YES' if your courses/programs are also available in person.
- Do not try to outsmart fatal errors; this is falsifying data. Contact the Help Desk to override, or fix, the data.
- Make sure you understand ALL definitions before responding to questions. For example, make sure that you are reporting for an 'ACADEMIC YEAR' or 'PROGRAM' as defined by IPEDS.
