<p>Foundations and organizations of human social systems - Comprehend and analyze the foundations and organizations of human social systems</p> <p>Course Outcome Status: Active Next Assessment: 2021-2022 Start Date: 10/10/2017</p>	<p>Assignment - Written - BAIS/BASS Integrated Essay</p> <p>Criterion: Average over 90%</p>	<p>Reporting Period: 2017-2018 Criterion Met: No 80% average</p> <p>Results Analysis: This criterion was not met because one of the 6 students did not complete this assignment. Without this '0,' the average would have been 96%. (02/11/2019)</p>	<p>Action: For both program and class assessment, in the future, completion of this assignment will be required in order to pass the class. (02/11/2019)</p>
<p>Acquire and interpret scholarly information and data to reach informed, reasoned, and balanced conclusions - Acquire and interpret scholarly information and data to reach informed, reasoned, and balanced conclusions</p> <p>Course Outcome Status: Active Next Assessment: 2021-2022 Start Date: 10/10/2017</p>	<p>Assignment - Written - 1. Research Paper 2. Power Point Presentation</p> <p>Criterion: 1. Average Over 80% 2. Average Over 90%</p>	<p>Reporting Period: 2017-2018 Criterion Met: Yes</p> <p>1. 95% average 2. 97% average</p> <p>Results Analysis: Results for both show that students had the skills necessary to conduct a research study, and to present that information in a professional and scholarly manner. (02/11/2019)</p>	<p>Action: Emphasis on these assignments in the future could include more weight placed on the quality of conclusions the students reach in their research. This would be reflected in the assignment objectives and points allocation. (02/11/2019)</p>
<p>Synthesize information effectively in oral and written form - Synthesize information effectively in oral and written form</p> <p>Course Outcome Status: Active Next Assessment: 2021-2022 Start Date: 10/10/2017</p>	<p>Assignment - Written - 1. Research Paper 2. Power Point Presentation</p> <p>Criterion: 1. Average over 80% 2. Average over 90%</p>	<p>Reporting Period: 2017-2018 Criterion Met: Yes</p> <p>1. 95% average 2. 97% average</p> <p>Results Analysis: Results for all met the criterion. This shows that students were able to pull together large amounts of information</p>	<p>Action: Similar to outcome #2, in the future, more emphasis in both of these assignments could include a higher weight/points value placed on the synthesis components of the assignments.
