

# Assessment: Course Four Column

## Courses (SS) - Psychology

### PSY 412: Motivation and Emotion

Course Outcomes	Assessment Measures	Results	Actions
<p><b>Given the need to develop a knowledge base in the study of motivation and emotion</b> - Given the need to develop a knowledge base in the study of motivation and emotion, students will accurately define and explain numerous constructs.</p> <p><b>Course Outcome Status:</b> Active <b>Next Assessment:</b> 2022-2023</p>	<p><b>Exam</b> - 1. Weekly and bi-weekly Discussions 2. Exams <b>Criterion:</b> 1. Average Over 90% 2. Average Over 80%</p>	<p><b>Reporting Period:</b> 2017-2018 <b>Criterion Met:</b> Yes 1. 91% average 2. 84.5% average</p> <p>Results Analysis: 1. This is actually a pretty high number for an upper division class. This shows that the class as a whole was very engaged in the discussions. 2. Again a solid achievement for the class as a whole. (02/11/2019)</p>	<p><b>Action:</b> No action required for either measurement. Both appear to be on track measuring the students' knowledge base. (02/11/2019)</p>
<p><b>Motivation and emotion, students will analyze, synthesize and critically evaluate statistics, studies and research</b> - Given information pertaining to motivation and emotion, students will analyze, synthesize and critically evaluate statistics, studies and research.</p> <p><b>Course Outcome Status:</b> Active <b>Next Assessment:</b> 2022-2023</p>	<p><b>Assignment - Written</b> - 1. Research Paper 2. Case Studies Assignment <b>Criterion:</b> 1. Average Over 80% 2. Average Over 80%</p>	<p><b>Reporting Period:</b> 2017-2018 <b>Criterion Met:</b> Yes 1. 88% average 2. 87% average</p> <p>Results Analysis: Results for both show that students were able to conduct proper research and synthesize information. (02/11/2019)</p>	<p><b>Action:</b> The research paper is a better assessment for this outcome, so in the future, just the research paper will be used to assess outcome #2. (02/11/2019)</p>
<p><b>Motivation and emotion, students will apply the psychological perspective to explain these phenomena</b> - Given observable behavior, case studies and personal situations that pertain to motivation</p>	<p><b>Discussion</b> - 1. Discussions 2. Research Paper 3. Case Studies Assignment <b>Criterion:</b> 1. Average over 90% 2. Average over 80%</p>	<p><b>Reporting Period:</b> 2017-2018 <b>Criterion Met:</b> Yes 1. 91% average 2. 88% average 3. 87% average</p>	<p><b>Action:</b> Similar to outcome #2, in the future, only the final case studies assignment will be used to assess this outcome. (02/11/2019)</p>
