<p>NURS 140 - Medical Terminology - Recognize and identify basic word parts relating to medical terminology - Recognize and identify basic word parts relating to medical terminology.</p> <p>Next Assessment: 2018-2019</p> <p>Start Date: 08/10/2015</p> <p>Course Outcome Status: Active</p>	<p>Assessment Measure: 1.Exam Module</p> <p>2.Activities Score from Evolve</p> <p>Assessment Measure Category: Exam</p> <p>Criterion: 1. Passing score on exams >70%</p> <p>2. Students were expected to navigate the Evolve site for a minimum of 2 hours per module. The Evolve site had activities and quizzes to prepare for the exam. This was graded on rubric based on a percentage of the minimum of two hours Passing score > 70 %</p>	<p>08/10/2015 - 1. On some exams students received < 70% on the individual exams but at the end of class all students scored > 70 %. The students had technical issues when they were taking their exams on the Evolve site and I had to re-open some of the exams.</p> <p>2. All students but 3out of 20 received the minimum > 70% on the Evolve Activities</p> <p>Criterion Met: Yes</p> <p>Reporting Period: 2014-2015</p>	<p>08/10/2015 - 1. I will be changing publishers so that I can have the exams downloaded to Web Campus and this should eliminate some of the technical issues.</p> <p>2. I had technical issues with the Evolve site and unless the students closed out of the Evolve site correctly the site did not give them full credit for the time spent. This is another reason to change publishers. I need to separate the exams and the activities in the grade book and give more weight to the exams. There was a direct correlation between time spent on Evolve and exams score. I will give the activities more points .</p>
