

Assessment: Annual Report

Operational (Center) - Winnemucca Center

GBC Mission: Great Basin College enriches people's lives by providing student-centered post-secondary education to rural Nevada. Educational, cultural, and related economic needs of the multicounty service area are met through programs of university transfer, applied science and technology, business and industry partnerships, developmental education, community service and student support services in conjunction with certificates and associate and select baccalaureate degrees.

Unit Mission: The Winnemucca Center provides support for the mission of Great Basin College in the delivery of quality education to rural Nevada. Our campus supports regional initiatives in the fulfillment of GBC's mission to deliver student-centered post-secondary education.

Requests are solicited from faculty and staff with what equipment they would like to see upgraded. We have replaced all of the old CRT style televisions on campus with large flat screen TV's. These TV's greatly enhance the student experience. We have added a SmartBoard each year to one of the classrooms. A lecture capture system was provided at the Center for faculty to enhance classes. In 2014-2015 the Winnemucca Center added new digital signage and lighting to provide up to date information for students when they arrive on campus and to greet them in a welcoming manner. We added additional scanners in a student study center to assist students with their classes. (02/26/2016)</p>
