

Assessment: Annual Report

Operational (Acad Affairs) - Fitness Center

GBC Mission: Great Basin College enriches people's lives by providing student-centered, post-secondary education to rural Nevada. Educational, cultural, and related economic needs of the multicounty service area are met through programs of university transfer, applied science and technology, business and industry partnerships, developmental education, community service, and student support services in conjunction with certificates and associate and select baccalaureate degrees.

Unit Mission: The mission of Great Basin College Physical Education and Exercise program is to provide a natural extension of academic programs, enriching the lives of students, faculty, staff, and community members with the opportunity to participate in an individual or group fitness program, emphasizing safe and effective workouts and the importance of maintaining good health.
