

Assessment: Annual Report

Operational (Acad Affairs) - Interactive Video

GBC Mission: Great Basin College enriches people's lives by providing student-centered post-secondary education to rural Nevada. Educational, cultural, and related economic needs of the multicounty service area are met through programs of university transfer, applied science and technology, business and industry partnerships, developmental education, community service and student support services in conjunction with certificates and associate and select baccalaureate degrees.

Unit Mission: To work collaboratively to advance and improve distance education and remote communication opportunities via Interactive Video Technologies for all learners in the Great Basin College service area and the State of Nevada.
