

Assessment: Annual Report

Operational (Acad Affairs) - CTE College Credit

GBC Mission: Great Basin College enriches people’s lives by providing student-centered post-secondary education to rural Nevada. Educational, cultural, and related economic needs of the multicounty service area are met through programs of university transfer, applied science and technology, business and industry partnerships, developmental education, community service and student support services in conjunction with certificates and associate and select baccalaureate degrees.

Unit Mission: The CTE College Credit Program promotes an articulated, coordinated sequence of learning experiences involving partnerships with secondary and post-secondary education, business, labor, government, and communities, enabling students to successfully transition among different levels of education and careers.

<p>Professional Development - Professional development opportunities for secondary education personnel are directly related to CTE college credit and post-secondary education. Outcome Status: Active Assessment Year: 2017-2018 Start Date: 01/09/2017</p>	<p>Survey - Point of contact survey to secondary teachers that participated in one of three GBC CTE College Credit Articulation Workshops. Survey was administered via SurveyMonkey after completion of workshop. Criterion: 90% participants are satisfied or very satisfied with the quality of offerings. 100% of available personnel participate. Notes: Lost grant funding for this in FY16 after three years. Intend to continue to offer these opportunities, but will have to review.</p>	<p>Reporting Period: 2015-2016 Criterion Met: No 11 secondary participants completed the survey. 6 were from Ag Mechanics, 3 were from Early Childhood Education, and 2 were from Health Science/Nursing. The survey asked the participants to rate their satisfaction with several items about the information presented. Below is screenshots from the SurveyMonkey results. The average score of each individual criterion is 79.59% of participants were satisfied or very satisfied with information offered. Several participants left comments and feedback overall in the survey. 100% of available personnel did participate. Considered ways to improve workshops based on feedback. Several CTE College Credit classroom visits were scheduled for direct contact with students in the pathways that hosted articulation workshops. In the 2016-2017 school year, the CTE College Credit Coordinator will review previous feedback and consider implementing ideas presented the survey.</p> <p>Most of the unfavorable feedback was a result of a GBC degree program considering eliminating CTE College Credit articulation agreements for high school programs. These conversations will reopen fall 2016.</p> <p>Due to the loss of funding, articulation workshops were held</p>
