

Assessment: Annual Report

Operational (Student Services) - Ely Center

GBC Mission: Great Basin College enriches people's lives by providing student-centered post-secondary education to rural Nevada. Educational, cultural, and related economic needs of the multicounty service area are met through programs of university transfer, applied science and technology, business and industry partnerships, developmental education, community service and student support services in conjunction with certificates and associate and select baccalaureate degrees.

Unit Mission: The Ely Center mission is to provide positive support and fulfillment of GBC's mission throughout the service area for student-centered post-secondary education.
