Operational (Student Services) - Environmental Health, Safety and Security

GBC Mission: Great Basin College enriches people's lives by providing student-centered, post-secondary education to rural Nevada. Educational, cultural, and related economic needs of the multicounty service area are met through programs of university transfer, applied science and technology, business and industry partnerships, developmental education, community service, and student support services in conjunction with certificates and associate and select baccalaureate degrees.

Unit Mission: The mission of the Department of Environmental Health, Safety and Security at Great Basin College is to provide a safe and secure environment for all staff, faculty, students and visitors on all of the College Centers.
