THE MEANING OF ACADEMIC DRESS

The Meaning of Academic Dress

Historically, academic costumes date back to the eleventh and twelfth centuries with the first organized institutions of learning in Europe. In 1895, the academic institutions in the United States adopted a code of academic dress which gave this country a beautiful and impressive method of signifying scholastic honors. Except for revisions in 1932 and 1959, the code has been virtually unchanged since its inception.

CAPS. The black mortarboard is the most used in the United States. The tassel, normally worn in the left front quadrant of the cap, is black, although it may be of the color appropriate to the subject of the degree. The tassel on the doctor’s cap is usually made of gold thread.

GOWNS. The bachelor’s gown has a long, pointed sleeve; the master’s gown has an oblong sleeve open at the wrists (or some older gowns may be open near the upper part of the arm); the doctor’s gown is fuller than the others with velvet panels full length on the front, and three velvet crossbars on each sleeve in black or in a color distinctive of the subject pertaining to the individual’s degree. The gowns are black except for the doctor’s which may be a color representing the institution that awarded the degree.

HOODS. The hood, draped over the shoulders and down the back, indicates both the institution granting the degree and academic area of specialization.
Institution: The silk lining of the hood represents the color, or colors, of the institution from which the degree was received. The higher the degree, the more the lining is revealed.

Degree: The level of the degree is designated by the length of the hood and the width of the velvet edging. The bachelor’s degree hood is three feet long, the master’s is three and one-half feet long, and the doctor’s is four feet long. The color of the velvet edging signifies the field of learning and is two, three, and five inches in width for the bachelor’s, master’s, and doctor’s degrees respectively.

Colors: The colors associated with the various academic areas include:

Agriculture	Maise
Arts, Letters, Humanities	White
Commerce, Accounting, Business ...	Drab
Dentistry	Lilac
Economics	Copper
Education	Light Blue
Engineering	Orange
Fine Arts (including Architecture) ...	Brown
Forest	Russet
Home Economics	Maroon
Journalism	Crimson
Law	Purple
Library Science	Lemon Yellow
Medicine	Green
Music	Pink
Nursing	Apricot
Speech	Silver Gray
Pharmacy	Olive Green
Philosophy	Dark Blue
Physical Education	Sage Green
Public Administration	Peacock Blue
Public Health	Salmon Pink
Science	Golden Yellow
Social Science	Citron
Theology	Scarlet
Veterinary Science	Gray

PHI THETA KAPPA (ΦΘΚ) is an international honor society for two year colleges. Members of this prestigious organization have the privilege of wearing the society’s monogrammed gold stole and tassel at commencement.

The Dean’s List designation means that a full-time student achieved a 3.5 or greater GPA during at least one semester.

GRADUATING WITH HONORS

Upon the successful completion of all requirements as published in the catalog, candidates may graduate with one of these academic honors:

Cum Laude—Cumulative grade-point averages of 3.5 to 3.69.

Magna Cum Laude— Cumulative grade-point averages of 3.70 to 3.89

Summa Cum Laude— Cumulative grade-point averages of 3.9 or higher.

(Summa Cum Laude for bachelor's degrees also requires an A in the program capstone course.)

Actual graduation honors may vary slightly from what is published in the program as most of the Spring 2025 grades were not included in the calculations. Thirty upper-division credits must be completed at GBC for bachelor's degrees, to earn honors designation. Thirty credits must be completed at GBC for associate degrees or certificates of achievement, to earn honors designation.

Red, white, and blue cords signify Battle Born Veterans Club members.
