### Check the appropriate option below and provide required documentation:

- High school transcript showing graduation
- High School diploma
- GED or other high school equivalency (HSE) certificate
- GED or other high school equivalency (HSE) transcript \*
- I did not complete high school or an HSE, but I have obtained at least 6 college General Education credits from a college prior to **August 26, 2024** and am thus providing a copy of my college transcript
- I have neither graduated from high school nor obtained an HSE, and this is my first time in college. I understand that this means that I am not eligible for financial aid, and that I cannot declare a major until I have completed at least 6 General Education credits.

\*If you do not have proof of your GED, and you took it in Nevada, go to [www.diplomasender.com](http://www.diplomasender.com) to obtain a duplicate transcript. If you took the GED in a different state, contact the Department of Education in the state you tested to get documentation. For many states GED transcripts can be ordered at [www.diplomasender.com](http://www.diplomasender.com) or [www.ged.com/life\\_after\\_ged](http://www.ged.com/life_after_ged).
