

NSHE Foster Youth Fee Waiver

Request for Waiver of Registration Fees and Certain Laboratory Fees

General Information: The Nevada Board of Regents provides a waiver of certain fees for former Nevada foster youth who meet eligibility requirements. An NSHE institution may waive registration fees and certain laboratory fees in fall and spring semesters for eligible students pursuant Title 4, Chapter 17, Section 13 of the *Handbook*. To determine if you are eligible, complete this form and provide the required documentation to your institution's Admissions/Registrar's Office. The institution may request additional information or documentation to verify eligibility. Students are strongly encouraged to enroll in a degree program at their institution to provide a clear pathway toward graduation and enhance access to additional support, including federal financial aid.

- **FAFSA** – Complete the FAFSA each year; **and**
- **Satisfactory Academic Progress** – Students who meet the initial eligibility requirements are required to meet Title IV financial aid satisfactory academic progress requirements at their institution for continuing eligibility.
