WITHDRAWING FROM COLLEGE

Withdrawing from College

You are admitted with the understanding that you will remain enrolled throughout the semester or until you complete your program. If unforeseen circumstances require you to withdraw, you should complete the appropriate forms through the Admissions and Records Office. If you are unable to withdraw in person, you should submit a written request to the Vice President for Student Affairs. Any outstanding financial obligations must be resolved at the time of withdrawal.

If you are considering withdrawing from GBC, please contact your academic advisor first to discuss alternatives and support services that may help you remain enrolled and stay on track for degree completion. For more information, visit the GBC Advisement website at <https://www.gbcnv.edu/advisement/index.html>

The Board of Regents has approved the Student Military Mobilization/Activation Policy. Under this policy, students who are mobilized or activated during a regular semester or summer session may be completely withdrawn from the college or university without penalty or punitive grade. With the approval of course faculty, options such as receiving an incomplete grade or an early grade may also be available.

For more information, please contact the Director of Admissions/Registrar at 775.327.2092. Students requesting consideration under the mobilization/activation policy must submit a copy of their military orders to the Director of Admissions/Registrar. If time constraints prevent the student from doing so, a parent, guardian, or spouse may submit the orders on the student's behalf.
