How to Apply for Admission

To apply for admission, submit an online application by selecting [Apply Now](#) on the Great Basin College website.

Official transcripts from previously attended colleges and high schools, as well as Scholastic Aptitude Test (SAT) or American College Test (ACT) scores (if applicable), should be sent to the Admissions and Records Office as soon as possible after applying to GBC.

Please note that all bachelor's degree programs and several Associate of Applied Science (AAS) degree programs have additional admission requirements and require a separate application. Admission to these programs is not guaranteed upon acceptance to Great Basin College.

See [Degrees and Certificate Programs](#) for additional program information and admission requirements.
