To satisfy the mathematics requirement for the Associate of Arts degree, each student must complete three credits of MATH 120, 120E, 126, 126E or higher, or STAT 152. For the Associate of Science degree, each student must complete five credits of MATH 126, 126E, or STAT 152. Completion of MATH 116, 116E or higher is required to satisfy the mathematics requirement for the Associate of General Studies degree. MATH 116, 116E or higher is required for all Associate of Applied Science degrees.

Developmental math courses (MATH 91, 95, 96, and 97) will only be available for high school students.

The mathematics requirement may also be satisfied by a student who earns credit through the College-Level Examination Program (CLEP) tests or transfers equivalent credits to GBC. Placement tests are available at the Academic Success Center and at your local center.
