REVERSE TRANSFER AGREEMENT

Reverse Transfer Agreement

The Nevada System of Higher Education reverse transfer agreement allows students to earn their Associate of Arts or Associate of Science degree from Great Basin College, even after transferring to a Nevada university or state college.

There is no formal application for reverse transfer. Students interested in this option should contact an advisor at GBC to determine what courses they need to complete for their associate's degree. They will need to apply to graduate at GBC by October 15 for a December graduation or March 15 for a May graduation, and it is the student's responsibility to have an official transcript from their state college or university sent to GBC to confirm that the final courses were completed.
