TRANSFERRING WITH AN ASSOCIATE'S DEGREE

Transferring with an Associate's Degree

Completion of an Associate of Arts or an Associate of Science degree will be the basis for admission to upper-division study with junior status at universities in Nevada.

Completion of either degree automatically fulfills the lower-division, general education requirements. Other baccalaureate-level courses included as a part of the Associate of Arts or Associate of Science degrees will transfer to the University of Nevada, Reno, the University of Nevada, Las Vegas and Nevada State University at a minimum as general elective credit.

Completion of an Associate of Arts or Associate of Science degree does not guarantee satisfaction of all lower-division program requirements at the universities. The receiving institution will evaluate all transfer courses completed at GBC and any other educational institution attended.
