Your Student Housing Options

Single students have a choice of dorm living or sharing an apartment.

1. **Griswold Hall Dorms** provide single and double occupancy dorm living for students at an affordable price. Features include: TV and study rooms, free parking, a community kitchen, gathering areas, a game room, a computer lab, and laundromat. The price includes all utilities and internet.

Renderings are not artist's conception and are intended only to give general reference. Furniture, materials, finishes and layout of subject will vary be different than shown.

2. **Single-Student Apartments** are furnished two and three-bedroom units. They have a common living/dining room, kitchen with full-sized cooking range, oven, refrigerator, and dishwasher, and bathroom. Students share an apartment but have a private bedroom. Students may request their own roommates, provided that all parties are agreeable. Otherwise, the college will assign a roommate based on the information provided on the student housing application. The price includes all utilities and internet.

3. **Married and Family Apartments** are two or three bedroom unfurnished apartments, with a living/dining room, kitchen with full-sized cooking range, oven, refrigerator, and dishwasher, bathroom, laundry hookups, and lawn/playground areas. The price includes garbage and water.
