CONTINUING EDUCATION

Continuing Education

Great Basin College Continuing Education provides personal and professional development opportunities for community members of all ages across a wide range of subjects, from CDL training to ceramics.

Our class schedule does not follow the traditional semester start and end dates. New courses start regularly, so be sure to check our online schedule at www.campusce.net/gbcnv.

The majority of courses are not offered for credit and have no final grades assigned. Driver Education is graded pass/fail, and certificates are issued to those who successfully complete the 30-hour course.

Many employers contract with GBC Continuing Education to provide the latest training in Microsoft Excel, PowerPoint, Power BI, Word, Webex, Outlook and more. Call 775.327.2380 for details. Continuing Education also offers online career training programs such as Certified Paralegal, Clinical Dental Assistant, Data Analyst, Pharmacy Technician, Python Developer, and Veterinary Assistant.

For more information, visit our website at www.campusce.net/gbcnv, email continuing-ed@gbcnv.edu, call 775.327.5300, or visit us in Elko at the Leonard Center for Student Life, Room 124, 1500 College Pkwy, Elko, NV 89801 (Building 14 on the Elko Campus Map).
