Campus Security Policies and Campus Crime Statistics Act

In compliance with the crime awareness provisions of the Campus Security Act of 1990 including amendments through 2018, each year in October, Great Basin College files a crime and fire safety report with the U. S. Department of Education. This report may be reviewed by anyone seeking this information at the following website: www.gbcnv.edu/security/crime.html.

GBC regularly updates the following: campus safety and security procedures, emergency procedures, yearly security reports, hate crime policy, timely warning procedures, crime reporting procedures, and disclosure of all safety and security policies and procedures. All updates, policies, and procedures may be reviewed by emailing the Security Officer Supervisor, at joseph.micke@gbcnv.edu.

Yearly by October 1st, the Great Basin College Safety and Security Department issues the annual security and fire safety report. This report is available on the campus website at www.gbcnv.edu/security/crime.html.

Print copies are available at the offices of the Center Directors, the Vice President and President's offices, the Great Basin College library, and the office of Safety and Security. Individuals may obtain a copy via email request to the Security Office at joseph.micke@gbcnv.edu.

Great Basin College uses a timely warning early alert system in partnership with the Omnilert service. This system provides the ability for all students, faculty, and staff to receive notice of campus closures or emergencies on their cell phones and via email. In order for this system to provide warnings during an emergency, all members of the campus community must maintain updated email and cell phone listings in the student PeopleSoft system and the human resources Workday system. All timely warnings are also posted on the front of the website at www.gbcnv.edu.

Any student, faculty, staff or member of the campus community witnessing criminal actions or emergencies should call 911 immediately. Members of the campus community who believe they may know of criminal activities or violations of campus policies are encouraged to report the information to the Great Basin College Elko Campus Security Department 775.327.2354, your Center Director, or the Vice President of Student Affairs 775.327.2115. Students downloading the safety app may text Security directly. The safety app address is www.gbcnv.edu/security/safetyapp.html
