Title IX—Sexual Violence Prevention Training

GBC is a member institution of the Nevada System of Higher Education (NSHE). All NSHE institutions, in compliance with federal regulations for mandatory training of faculty, staff, and students, have adopted the same courses. Courses for students will be taught online through an outside provider. Enrolled students will receive an email for the training. Great Basin College is committed to providing a safe, comfortable, harassment-free environment. For that reason, these courses are free and will not affect scholarships, loans, fees, or grade point averages.

We hope this course helps you to think deeply about these critical issues. Please be proactive. If you have any concerns about anyone's behavior or know someone who has concerns about another person's behavior or situation, please let us know. You may contact the Office of the Vice President of Student Affairs at 775.327.2115. For off-campus sites, contact your center director.
