## THEATRE

- THTR 100 Introduction to Theatre 3 Credits**  
A survey of the basic principles, facts, and theories providing an understanding of the art of theatre. Course also includes a special focus on the practical technical aspects of the theatre and on live theatre experiences. Prerequisite:
- THTR 105 Introduction to Acting I 3 Credits**  
Examines acting fundamentals and focuses on development of vocal, physical, and creative tools to be used on stage. Prerequisite:
- THTR 121 Stage Makeup 3 Credits**  
This course focuses on the history of makeup and basic approaches to applying make-up for the stage and screen. Make-up supplies will be studied, as well as techniques for corrective, old-age, character, stylized, and special effects makeup. Prerequisite:
- THTR 204 Theatre Technology I 3 Credits**  
Lecture and discussion encompassing the philosophy and techniques of technical theatre. Prerequisite:
- THTR 209 Theatre Practicum 1-6 Credits**  
Performance and production of plays for GBC's Little Theatre season. Prerequisite:
- THTR 221 Oral Interpretation 3 Credits**  
Introduction to and practice of oral interpretation of literary and dramatic works from Shakespeare to contemporary writers and poets. Prerequisite:
