

Assessment Committee  
Annual Report 2018-19

Members:

Daniel Bergey (chair; Tamera Allred; David Ellis; Stefan Beck; Jinho Jung; Joe Jensen; Glenn E. Mangold III; Sam Lackey; Stacy Rust; Brandis Senecal

The committee meet via IAV four separate times during the academic year (2018-2019):

- 10/12/2018
- 11/30/2018
- 02/09/2019
- 11/21/2019

During the year, emphasis was placed on awareness and preparation for the 7-year Accreditation Review coming up in Spring 2020. Other priorities included evaluating and ensuring all common course outcomes were the same in identical courses taught by different instructors.

Discussions also included discussion and commentary on ways to streamline the faculty course assessment process to make the process more efficient and productive for subsequent course improvement.

At the end of the year, faculty course assessments from different departments were distributed to committee members for review, and a summary spreadsheet of these review results was submitted.
