

MINUTES of the  
GREAT BASIN COLLEGE  
FACULTY SENATE  
COMPENSATION & BENEFITS COMMITTEE

The committee convened on Friday, September 17<sup>th</sup>, 2010, with the following members present: Frank Daniels; Kevin Marie Laxalt; and Jon Licht. The following members were absent: Kara Coates; Greg Molyneux; Connie Zeller (on furlough).

The committee awarded professional development (travel) money to four faculty members, to pay for training and for their participation in conferences in their fields. These will be forwarded to the Vice President for Academic Affairs.

Also, the VPAA tasked the committee with redesigning the disbursement of the professional development funds. Right now, we are very early in the planning stage and are researching what is being done at other community colleges the size of Great Basin College.

The Compensation & Benefits Committee has redesigned some of the forms used for professional development requests, and have made an effort to consolidate all of the information into a single location. The form and informational documents can all be found on the C&B website:
