

The Communications Department would like to assist you in successful advertising of your events or Press Releases. To do so, we will need the following information and review timeline for max use:

Information

Who: What department

Where: Where will the event be held

When: When is the event being held

Why: What is the event being held for or what is your press release about

How: How do others get involved or attend? (ticket purchase)

Sponsors/Vendors: Sponsor logos and/or vendors names

Tickets: How many, cost of event, any other important details to include on ticket

If event or Press Release information is received within the following timelines you will receive the corresponding coverage.

7-8 weeks prior to event
