1. Nevada Gold Mines will pay 100% of in-state tuition, lab and technology fees for CSCO courses (that are for credit) at Great Basin College (GBC) only. Support provided by Nevada Gold Mines will be paid directly to GBC upon verification of eligibility and then allocated to approved student accounts.
2. I am responsible for any tuition, lab, technology and/or other fees deemed non-refundable due to withdrawing from a course after the last day to drop for a 100% refund.

4. I must achieve a C or better grade in funded courses to be considered for future financial assistance from Nevada Gold Mines. If I earn a grade below C, or do not complete the course, I must successfully repeat and pass the class with a C or better at my own expense before Nevada Gold Mines will consider future support.
5. It is my responsibility to file the appropriate documents with GBC. This includes, but is not limited to, applying for admission if I am not already a student with GBC, enrolling in the course/courses I wish to take, and supplying the appropriate documentation for residency should it be required.
