GBC Student Financial Services Office 1500 College Parkway, Elko NV 89801 | FAX: (775) 327-5105 | Phone #(775) 327-2095

General Information: Financial aid cannot be received from two different institutions concurrently; therefore, the student must select the one school from which aid is to be administered. This is the HOME institution where the student has enrolled for the majority of coursework and from which he/she expects to receive a degree.

If you are pursuing a degree or certificate at GBC and find it necessary to take courses at another college or university (HOST institution), you may qualify under this consortium agreement to count your enrollment at the HOST institution toward your financial aid enrollment level. You must be enrolled in at least six credit hours at GBC during the semester for which you are requesting funding. These courses must be required for your declared major. The courses taken at the HOST institution must transfer to GBC and apply towards your degree or certificate program at GBC.

NOTE: This agreement does not include Millennium Scholarships, Silver State Opportunity Grant, and some GBC grants and scholarships. It is your responsibility to complete this form, including obtaining a GBC academic advisor's signature and submitting the form to the GBC. It is also your responsibility to follow up with *both* institutions to ensure that your request has been processed. You must complete a new form each semester.
