Mr. Curley Fletcher
C/o Fletcher's Market
12th Street
Sacramento, California

Dear Sir:

I wish you to advise me by return mail relative to what action you expect to take in repaying George Sam, Indian, for freight bill against the carload of horses shipped from Sacramento to Lawe for the Inyo County fair. The shipment came billed in your name and the charges were \$155.00. This amount has been advanced in anticipation of your repaying same.

George also wishes me to make inquiry regarding his black mare, also what disposition you wish made of your horses. As the horses are in a pasture near Bishop at the present time it is necessary that something be done with them as early as possible.

Very truly yours,

Superintendent

Bishop, California. Nov. 17. 1922.

Mr. Frank Partridge,
C/O Four C. Ranch.
Bishop, California.

Dear Sir:-

On account of some existing differences between George Sam, Indian, and Curley Fletcher over some horses which I understand are now in pasture at your place, I wish to advise that you not permit any of the horses belonging to either Curley Fletcher or George Sam, ~~to~~ ~~leave~~ ~~the~~ ~~pasture~~ ~~until~~ Sam returns from Mono Lake, and arranges to make a settlement relative to outstanding obligations against these horses.

Very truly yours.

Superintendent.

Bishop, California. Dec. 7. 1922..

George Sam, (Indian)
Mono Lake, California.

Dear Friend:-

It is necessary that you make some arrangements about the horses here, at an early date.

The horse known as ~~Kingman~~ the one which you purchased from Asa Kline is only partly paid for, and unless you finish payment this month, the horse will be taken back by the original owners.

Everett Kline states that \$75.00 was the amount which you agreed to pay, and that you have only paid something like \$20. of this amount.

~~YK~~ I have looked for you here before this, but as you have not appeared, it will now be necessary that you make some arrangement to pay the balance, or let the horse go back to the original owners.

This matter should be attended to before Dec. 15. and I would advise you to see Everett Kline at once and settle same.

Very truly yours.

Superintendent.

Bishop, California. Dec. 8. 1928.

George Sam, (Indian)
Mono Lake, California.

Dear Friend:-

I am in receipt of a letter from Curley Fletcher of Sacramento, California., in which he states that he lost the best contract that he had all summer, by sending the horses to Bishop.

He states further, that on or about Aug. 28, he mailed you a check for \$50.00, also a check Mono Lake, \$25.00, Cash Sacramento \$10.00, Veterinary Services \$58.00.

He says for you to take care of his horses here and hold them as security, until he comes with the rest of them.

Very truly yours.

Superintendent.

P.S. It will be necessary that you settle at once, with Everett Kline for his horse, or you will lose the horse.
Let me know at once what you are going to do about it.

Bishop, California, Dec. 8. 1922.

Mr. Curley Fletcher,
General Delivery,
Sacramento, California.

Dear Sir:-

Your letter of Dec. 2, at hand and am glad to know that you will settle up this matter without further proceedings.

I knew nothing of this matter until informed through the Indians and later direct from the S. P. Agent at Laws, that a carload of horses were being held at Laws, pending the payment of freight charges. The agent advised that same were shipped bills to C. F. Fletcher as Consignee.

The freight bills covering charges are enclosed. One reads---13 head of horses-- amount of charges, \$151.00. The other reads---To pay feed charges Mojave to Laws, \$4.00. This makes a total amount of \$155.00, which was paid by me as indicated by the enclosed receipt, signed by the agent and cashier of the S. P. R. R. at Laws, California.

This amount I would ask you to kindly refund to me by check, draft, money order or otherwise, the same made out to Ray R. Parrett, Supt. U. S. Indian Service.

As to your contract with George Sam, I will do what I can to straighten out the matter, but this is a separate matter from the foregoing freight bill. I imagine that this will require both yourself and George Sam together, to get a satisfactory adjustment.

The horses are now at the Fear C. Ranch at Bishop, and I would suggest that you and George Sam get together on what disposition you are going to make of them, as soon as possible.

George Sam is now at Mono Lake, and I have notified him to come to Bishop to attend to his part regarding them.

Very truly yours.

Superintendent.

Dear Sir:

Your letter reference horses received and contents noted. In taking this matter up, I wish you would explain to me who paid freight, and the amount paid. The horses were billed to George Gam, and not to myself. I believe but that is of no consequence.

I want to ² just what
is right and pay it. You
have heard one side of
the story. You must
remember that in order

Dear Friend:-

I am in receipt of a check from Dr. Shute for \$36.00 which he says are to pay your taxes. He says that you gave this to him at Mono Lake last week, to give me.

I have inquired at Independence about your taxes, and the tax collector and assessor say that your taxes are a little less than \$5.00, so I do not understand what the \$36.00 is for. I will pay the amount of taxes due, and hold the balance to your credit.

I also hold \$100.-- as your credit from the Olcese Company.

You owe \$80.25 on Government Reimbursable agreement, so I would like to use some of this to pay a part or all of this debt. You can advise me as to what you wish to do about this.

Very truly yours.

Superintendent.
