I certify that I am personally acquainted with the applicant, know him to be a Shoshone Indian who has never had land allotted to him on the public domain and that he has never lived upon any reservation, that he is known, generally, as an Indian and a member of the above tribe, throughout the country where he lives. I am not able to give the names of his parents and grand-parents, but know they have never made their homes upon any reservation and have never had land allotted to them.

These Indians might have been entitled to take up their home upon the Western Shoshone Reservation but they have never done so, and the Reservation is entirely inadequate for the scattering

Considerable expense would be involved in visiting the home of this applicant, but if the above report is not deemed sufficient, please refer the matter back to me and more detailed information will be secured as soon as practicable.
