90	I appreciate the survey being sent, however, if I don't send it back is because I haven't had the time to complete it, or don't have enough information about the subject to have a proper response. Thank you.	12/9/2015 7:11 AM

94	The GBC libraray is my biggest complaint at the school. Colleges should have their libraries open until late...for GbC's size maybe around 10 and on theweekends. I am so annoyed with this establishment. I know that myself or many of my classmates never use the library because the hours are so ridiculous.	12/3/2015 1:26 PM
95	Appreciate all the help with my classes for my substitute teachers class.	12/3/2015 11:28 AM
96	extended evening hours should be a must, less employees during the day and reschedule earlier and later shifts in compensating. If you require someone else to work late hours or weekends, ask me!	12/2/2015 9:05 PM

113	Existentially speaking, though I have fond memories of the library in college, aren't they becoming a bit like the Dodo with so much information available online? Online research at home is much more efficient than having to transport yourself to the library's location, then search through volumes of books only to discover that the book you need isn't there but was available online the whole time... Just saying...	12/2/2015 8:33 AM
114	Thank you all so much!	12/2/2015 7:57 AM
