STUDY SKILLS, TEST PREPERATION, AND TIME MANAGEMENT

Carrie Gaxiola (Library), Christina Park (Library), and Ping Wang (Academic Success Center) partnered to bring all GBC students a study skills, test preparation, and time management workshop December 1st. We know a lot of our students are "online students" so we will be digitizing the presentation and materials to post online.

We will make an announcement via email when it is online. We are really excited to share with the students, where ever they may be!

Also on that note...

**Good luck on your final exams!!!
