

**National Institutes of Health/INBRE  
Application for General Membership, Tutoring, and Summer Workshops  
Great Basin College – Science Department**

You can use this application to apply for general membership to the B(S)3N Student Cohort Group AND/OR either of the two Summer Workshops AND/OR tutoring positions. See below:

**Student cohort group – Biological Sciences Students Support Network [B(S)3N]:**

B(S)<sub>3</sub>N

*Benefits of Membership:*

- 1) Eligible for paid employment as a lab aid, tutor, or in another science-related capacity
- 2) Eligible for possible attendance at the UC Davis Pre-Health Conference (<http://prehealthconference.ucdavis.edu/>) or other travel/experiences
- 3) Each semester a new officers are elected to lead B(S)3N. In addition to the benefits listed above, officers are eligible for:
  - a) Locker space in LUND 128
  - b) Desk space in LUND 128

*Eligibility:*

- 1) Be a student in good standing enrolled in the Biology AS or BS programs at GBC
- 2) Be registered for classes in Fall 2019
- 3) Be 18 years of age or older

**Summer Workshops:**

We are hosting two workshops. The **Pre Med Workshop** will be held *June 24-26, 2019*. The **Research Workshop** will be held *June 19-21, 2019*. You do not need to be a member of the B(S)3N Cohort Group to apply for the workshops. You can apply for one or both of the workshops.

*Purpose of Workshops:*

- 1) Teach participants about potential educational and career options (e.g. graduate school, medical school, research, etc.)
- 2) Provide students with support and suggestions for successful completion of bachelor's degree in biology
- 3) Visit medical school, tour labs, meet advisors and grad students

*Eligibility:*

- 1) Enrolled at GBC for Fall Semester 2019
- 2) Be a student in good standing

**Background:** This grant is being used to support GBC students pursuing biology-related degrees. For more info: <http://www.gbcnv.edu/programs/show.cgi?BS-BIO>

Student ID: [Click here to enter text.](#)

Mailing Address: [Click here to enter text.](#)

Email: [Click here to enter text.](#)

Telephone: [Click here to enter text.](#)

Are you 18 or older? [Choose an item.](#)

Which activities are you applying for? [Choose an item.](#)

Where did you attend high school? [Click here to enter text.](#)

How many college credits have you completed? [Click here to enter text.](#)

Which college-level science courses have you completed? [Click here to enter text.](#)

Which college-level math courses have you completed? [Click here to enter text.](#)

What is your GPA? [Click here to enter text.](#)

What is the highest level of education completed by the following members of your family: (Less than High School, High School or GED, Some College, AA or 2 year Degree, Bachelor Degree or 4 year Degree, Graduate School).

Mother: [Choose an item.](#)

Father: [Choose an item.](#)

Sibling: [Choose an item.](#)

Sibling: [Choose an item.](#)

**Please attach a short essay** describing: 1) your interest in biomedical research, science and/or medicine (including any specific coursework or independent research that has sparked your interest); 2) whether you would be interested in working as a lab aide and/or math or science teacher and why; and, 3) your future career and educational goals. Current members of B(S)3N do not need to submit an essay.

**Optional:** A separate sheet is attached (page 4) asking about your racial and ethnic background. Your application will not be judged based on your answers or on whether or not you submit this form. Rather, it is used for statistical purposes only. It will help us understand our community and how well we are reaching various groups within our community.

Which are you applying for? Choose an item.

If you are applying for just the **summer workshops**, stop here  and continue to “Instructions for Submission”

If you are applying for the **B(S)3N student group or tutoring**, please continue:

Please note: Tutors must have completed at least CHEM 122 and BIOL 190. Tutors with less academic experience may be given fewer hours so they have time to hone their skills. Tutors are limited to 19.5 hours per week and earn \$10/hour. Tutors must be members of B(S)3N.

Are you interested in working as a tutor for Science (Biology, Physics, Chemistry, or higher) or Math? Choose an item.

If you answered “yes,” please list which classes you would feel comfortable tutoring for: [Click here to enter text.](#)

Please describe any preferences for hours of the day or days of the week you can work: [Click here to enter text.](#)

**SUMMER WORKSHOP APPLICATION DUE JUNE 3, 2019**

**COHORT APPLICATION DUE AUGUST 31, 2019**

## Instructions for Submission

- 1) Complete application and select “save as”
- 2) Include your last name in the title of the document (e.g. “Jones Application”)
- 3) Email completed application, essay, and optional racial/ethnic page to [margo.teague@gbcnv.edu](mailto:margo.teague@gbcnv.edu)

These events are made possible by a grant from the National Institute of General Medical Sciences (GM103440) from the National Institutes of Health

Which race best describes you: **Choose an item.**

Are you of Hispanic or Latino origin or descent? **Choose an item.**
