## Teacher Education Program

### Background/Legal and Ethical Standards Acknowledgement Form

In order to ensure the integrity of the Great Basin College Teacher Education Program and the safety of the educational environment in our community schools, the Great Basin Teacher Education Program requires a background check on all students and potential students.

Should your background check reveal any legal issues of concern, you may be asked to supply further information and documentation. Additionally, if the Teacher Education Committee (TEC) determines you are not suitable to participate in field experiences in community schools due to criminal or legal problems, you may be withdrawn from courses requiring field experiences. It is your obligation to inform your advisor of any situation, legal or ethical, which may affect your appropriateness for observing and participating in school field experiences and the student teaching internship.

The Bachelor of Arts in the Teacher Education Program at Great Basin College is designed to prepare students for licensure in the state of Nevada. The Department of Education for the state of Nevada enforces the requirements for licensure of teachers. Applicants who have concerns related to their status in relationship to possible licensure denial are encouraged to contact the Nevada Department of Education (775-687-9115).
