

## **Department Chairs Report**

***April 26, 2019***

Department Chairs met on April 12 and submit the following report:

1. Matt McCarty addressed Department Chairs regarding fundraising for specific needs within departments.
2. Daniel Murphree and Josh Webster presented the new General Education Assessment Guidelines to the committee. An informational session on the guidelines will be offered in May for all faculty teaching/supervising General Education courses.
3. The current chairs invite any and all incoming chairs to the meeting in May, in hopes to smooth the transition between the outgoing chairs committee and incoming chairs committee.
