Oversight of Student Teaching

If a student teacher is hired by the school district as a long-term substitute, due to the excess workload created for the supervising faculty, 1.5 WU will be received for this student teacher instead of 1.0 WU

3(A)1h Oversight of Student Teaching

For student teaching where students are enrolled in a 14-credit section, faculty will receive 1.0 workload unit for each student being evaluated. If a student teacher is hired by the school district as a long-term substitute, due to the excess workload created for the supervising faculty, 1.5 WU will be received for this student teacher instead of 1.0 WU. If the supervising faculty is required to travel 50 miles or more each way, 1.5 WU will be awarded per student instead of 1.0 WU.
